

## **2021 AIO HALL OF FAME AWARD**

### **A- Guiding Principles**

Nominees must be adjudged to have made a broad encompassing and lasting contribution to the insurance industry in its broad sense (insurance, broking, reinsurance and regulatory) and thereby exerting a substantial influence on the ability of the insurance industry to serve society. They must be recognized by their peers, without question as having been dominant and successful leaders, innovators and visionaries.

You are hereby called upon to nominate individuals and institutions/companies that have made significant contributions to their home markets and by extension, the insurance sector in Africa. Your nominations must be supported by the following details:

- **Name of the nominee (individual, company or international organisation)**
- **Name of the company of the nominee (if nominee is an individual)**
- **Reasons for nominating the person/institution i.e. Nominee's contribution to insurance in their local market, sub-region or in the continent.**

### **Nominee Presentation**

#### **B- Biographical Information**

1. Summary of the candidate's biographic information
2. Candidate's major achievements in insurance (and society) not volume of activities but quality and impact\*
3. Impact of these achievements
4. Any economic, institutional data required to support or explain the candidate's contributions
5. Any other information of significance about the candidate.

#### **C- Guidelines to major achievements to insurance and society (examples to give meaning)**

1. Creation or implementation of a product, service or innovation that has had an outstanding impact on the ability of the insurance industry to better serve and or protect the public
2. Development or implementation of a meaningful improvement in the level of knowledge and education within the industry which has impacted its ability to effectively serve the public and successfully address future needs.
3. Provided significant support in attracting and or developing new participants (individuals or companies) in the insurance industry through efforts of professional organizations to ensure industry professionalism and perpetuation.
4. Influenced or played a role in the development of legislation and or regulatory activity related to the ability of the industry to succeed in Africa's insurance environment while serving and or protecting the public.
5. Provided exemplary service to the public in any role or circumstance not described above, that has reflected positively on the insurance industry and its ability to serve and protect the public.
6. Provided concrete evidence of societal impact through an Environmental, Social and Governance (ESG) program.

7. Provided identifiable positive contribution to the growth and furtherance of the aims and objectives of the African Insurance Organisation, in addition to the wider insurance industry in Africa.
